ONE KILLED, 15 INJURED

The death of a Brisbane woman, killed on Bayshore Highway at midnight Saturday, was San Mateo County's first traffic fatality of the Fourth of July holiday.

The traffic victim, Mrs. Annette Bailey, 38, of 3848 Bayshore Highway, was killed instantly when she was struck by a car while trying to cross Bayshore 516 feet north of San Bruno Avenue.

Tobias J. Villareal, 19, of San Francisco, driver of the car, was not held.

Mrs. Bailey's death is the 26th traffic fatality in San Mateo County to this date, compared to 19 at the same time a year ago.

She was pronounced dead upon arrival at South San Francisco Hospital, and taken to the W. A. Cook and Co. mortuary, South San Francisco. Funeral services were held at 10 a. m. Wednesday, July 5th, with interment in Olivet Cemetery, Colma.

Mrs. Bailey and her husband, William, an employe of the Schlage Lock Co., moved to Brisbane from Michigan two months ago.

KOREAN WAR THEATRE INQUIRIES

Many inquiries regarding servicemen and civilians in the Korea War Theatre are being received by Home Service Department of the San Mateo County Chapter, American Red Cross according to Mr. J. Ed. McClellan, Home Service Chairman. "Our Department," McClellan said today, "will be glad to help anyone wishing to place an inquiry regarding armed forces personnel in Japan and Korea, and American civilians being evacuated from the war area. We have received information from American National Red Cross as to where and how various types of inquiries should be placed. This information will be given on request. Persons wishing to receive should contact Home Service at the local Chapter House, Diamond 4561."

BATTLE OF THE HIGHWAYS

This present day "Battle of the Highways" with automobile drivers as participants needs nothing more than a steering wheel for its weapon; carelessness, selfishness, too much haste, and alcohol for its ammunition, and requires that no one takes sides. It is every fellow for himself. As a result of this, the 340 traffic fatalities, hundreds more injured, some permanently, headlined by every newspaper in the country after the Memorial Day Week-end draws but shrugs from the public. Why? WHY? Because this highway death toll is a "scattered" thing, it loses its impact.

Unless every driver will constitute himself a committee of one to do something about this senseless waste of human life, the coming Holiday week-ends will see this national disaster repeated.

Your San Mateo County Chapter, American Red Cross, in co-operation with the National Safety Council, urges every motorist to REMEMBER TO SAVE A LIFE. To aid where there is an accident the local Red Cross maintains eleven emergency highway first-aid stations (look for the Red Cross sign), and operates 17 mobile first aid units, all manned by persons trained and qualified to give Red Cross first aid.

WEDDING BELLS

Married at a recent evening ceremony at the First Baptist Church by Rev. R. S. Beal, Jr. were Miss Marie Eleanor Smith and Richard Oliver Ellis.

Both residents of South San Francisco, but members of this Church.

The reception was held in the church and attended by more than forty friends.

The bride wore a white street length dress and carried a white bible with white orchids.

HOME TOWN FOLKS

A weekend in the vicinity of Carmel, Monterey and Santa Cruz was enjoyed over the holiday by Alfred Pistohl family. They were joined by Mrs. Pistohl's niece, Marlene Glotz, who will visit them at their home on Solano street for a while, before returning to Fresno.

Condolences are offered to Mr. and Mrs. William Strassburger and Family upon the recent loss of Mrs. Strassburger's brother, Roland Smithson, who was killed in an automobile accident while enroute between Carson and Virginia City. Two women passengers riding with him were killed also.

The Brisbane Recreation Center has just received a new coat of interior decorating. The soft colors and nice clean look are very refreshing and inviting.

Mr. Louis Terry will no longer be maintenance man for the Center and is given a vote of thanks for the nice job he did when he was handling it.

Delegates for the American Legion Auxiliary have been named by unit 473. They are as follows:

Wilma Schultz, Louise V. Fassett, Maud Mullins, with one alternate delegate, Kathrine Stewart.

The Convention will be held in Sacramento, beginning around the 13th of August.

Far away from the "Hurly-Burley" of newspaper work and really enjoying a 113 degree heat, with swimmin' and such, in Georgetown, Calif., Dorothy Radoff and family spent a pleasant two weeks.

Mr. and Mrs. Sedgwick, their two daughters and a son, of Bountiful, Utah, were recent visitors at the home of Mr. and Mrs. R. Todd on Monterey Street.

Mrs. Louella Wood, Daisy Todd's mother, returned to Utah with them where she plans to spend the summer.

Four recent visitors to the Floyd Scott domicile on Glen Park Way were:

Mr. and Mrs. William Scott of Redlands, Calif., and Mr. and Mrs. Albert O'Neil of Los Angeles, Mrs. Scott's brother and sister-in-law.

Mrs. Tom Prease, of Sierra Pt. Road has been on an extended visit to her mother, Mrs. B. B. Cooley, in Odessa, Texas. A trip to the Carlsbad Caverns and other points of interest were on the calendar.

Mr. and Mrs. Roy Edwards and son, Henry, have planned quite a sightseeing tour on their way to visit Mrs. Edward's family, Mr. and Mrs. Selvan Lee, of Walcott, North Dakota. The trip includes Yellowstone and Yosemite Parks.

Rene Jennett is convalescing from an injured leg at his home on Humboldt Road.

A new arrival at the Ervin L. Scott home at 253 Klamath St., is a baby girl, born June 17th.

BOYS' STATE AT SACRAMENTO

Three boys from Jefferson High School attended Boys' State at Sacramento during the week of the 19th of June. The boys were Pat McCool, Richard Sims, and Dick Firth. They were sent by the Daly City Post, and Brisbane Post of the American Legion.

Boys State is an annual meeting of boys from state, county, and city governments, electing officers and carrying on business. A full program of athletics and other recreational activities keeps the boys busy and happy.

Boys' State has been conducted for many years and all who attend come home enthusiastic over its success.

Ann Allen will attend Girls' State which is similar to the one held for boys. Ann is being sent by the Daly City and Brisbane Auxiliary Posts.

These students were chosen by their classmates, all of whom will be seniors next year.

FIRST BAPTIST CHURCH RENOVATED

A re-decoration project has been taking place this month under the able chairmanship of Mr. Philip Bollinger, in the First Baptist Church on Visitation Avenue.

A ceiling of New England Green acoustical tile complements the newly painted soft grey walls. The windows are shaded with new Venetian blinds and in due time harmonizing carpet will complete the nice job of renovation.

The church members have all worked very hard to complete the decorating as quickly as possible.

RED FEATHER NEWS Community Chest of San Mateo

Ray Kidder, originator of the successful One (1) Hour Drive held in San Carlos in last year's Community Chest Fund Drive has been scheduled to head the Geographical Division of the Community Chest of San Mateo County for the current year.

Mr. Kidder is an insurance broker and has resided in San

Carlos for the past five years where he is well known for his Community service work.

He is a member of the Kiwanis Club and the Chamber of Commerce.

The father of four daughters, three of pre-school age. Mr. Kidder is vitally interested in Community activities that maintain high standards for children throughout the County.

HOMETOWN FOLKS

The Louis Duncan's of Humboldt Road, spent a wonderful ten day visit with the Hume Fox family, on their farm near Indianolla, California.

The Fox's are former residents of Brisbane and send greetings to all their old friends here.

Miss Kathrine Fox returned with the Duncans for a brief visit and vacation from all that lovely fresh cream and eggs and things.

The Glee Club should buy Beth a cow. She gained ten pounds while away and that helps to beat out those southern rhythms for the minstrel show in September.

Mrs. Elsie Mooers, Diane and Wayne, of 280 Kings Road, spent a wonderful week of sunshine and waterskiing at Clear Lake, Calif.

Mrs. Mooers will enter the Pacific Coast championship water ski meet to be held in Seattle. She is only woman competing on jumps and single ski backward, so far.

Here's hoping she "skis" off with Pacific Coast Championship for women. Another sports cap for Brisbane.

In case the girls are wondering where everyone has 'got to' and why the town seems so dead, here is the information:

Herb Gagnier, Porky Hatch and Don Brady are in Texas. Ted Van Kirk and Eddie Barron are in El Toro, California.

Eddie Maxwell and Jim Rice have gained 20 pounds since their paratrooping at Fort Ord.

Pfc. Bob Tann, U. S. M. C. was home on 30 day leave, still had 15 days to go when he was recalled.

Perhaps there are others, but reporter did not get their names.

For two weeks the following boys were in the National Guard camps at San Louis Obispo:

David Truelson, Don Cline, Tony Murillo, Ronald Richardson, Gareth Boardman, and Bob Bolden.

They were visited at one inspection by General Mark Clark. They were not commanded to fight the forest fire that had been raging there as their battalion was situated too far away.

WOMEN'S CORNER

By BRIS - BETTE

BRIS-BETT has been off the sheet for some months and now that the Editor has brought a new box of pencils, previously sharpened by the way, it behooves us to get into full swing again.

Whether to use the column for political or philosophical discussion, is the problem. To grind the axe of everyday living from the viewpoint of the kitchen sink is a great temptation.

Juvenile problems, war problems, food and tax situations, each could be analyzed from the women (in a white apron) angle. Wouldn't do much good, upon second thought, as woman has been sputtering, fuming, muttering and weeping about the problems of keeping mouths fed and bodies warm since the Pleiocene age. Mother Dinosaurs, no doubt could confirm the above statement.

Here is a nice recipe that will keep meat on the table and freedom from the hot stove, for a few meals.

TOUNGE WITH RAISIN SAUCE

Simmer tongue with water al-

most to cover 4 hours. Remove skin while hot. If not to be used at once it may then be returned to the liquid until ready to use. Place in baking pan. Pour over it the sauce made by combining remaining ingredients. Bake in a moderately hot oven (375°F.) about 40 minutes, basting several times.

Serves 8.

1 fresh tongue

Sauce

1 cup cider vinegar

1 cup dark brown sugar

1 cup seeded raisins

1 lemon, sliced thin

2 dozen whole cloves

Household hints for this column would be welcome and if you have any little short cuts to easier home making, do send them in.

JEFFERSON HIGHSCHOOL REPORT

Graduates from the Jefferson Union High School who entered the University of California have made outstanding records. This fact is brought out in a letter to Stanford Hannah, District Superintendent of the local school, from Dr. Hiram Edwards, Director of Relations with Schools of the University of California.

In his letter, Dr. Edwards states, "During the last few months we have been working with the scholarship records of entrants to the University of California from the accredited schools of the state. We are pleased to note that the four students who entered the Berkeley campus of the University in the academic year 1948-49 made a grade point average for all definitely above the average for all entering freshmen. We are happy to congratulate you on the excellent college preparatory work which these students apparently had at Jefferson Union High School."

In the report sent out by the University, the results of a study of the five year period from 1944 to 1948 agreed with the record made by the above mentioned four students. Over the five year period students from Jefferson consistently maintained an above average standing.

"The faculty realizes," stated Mr. Hannah recently, "that a comparatively small percentage of the students go on to university training. The work of the school, therefore, can not be measured entirely by the university. But this is an important group of students and the report at least indicates that this curriculum in high school is meeting its purposes."

WOMAN HELD AFTER HUSBAND IS STABBED

Mrs. Margaret Pitcher, 58, was in the county jail July 3rd for investigation of assault with a deadly weapon after she allegedly stabbed her husband with an 8-inch butcher knife.

The husband, Floyd F. Pitcher, 52, of 8 Joy Ave., Brisbane, was treated at Community Hospital for two stab wounds.

The hospital reported that the knife blade passed through Pitcher's left forearm, and entered his hip about 7 inches. His injuries were said to be not serious, and he was dismissed from the hospital.

According to the sheriff's office, Pitcher went to the home of a neighbor to borrow some paint, and upon his return was met by

his wife.

She stabbed him, for no apparent reason, the sheriff's office stated.

Upon her arrest Mrs. Pitcher admitted to deputies that she had wielded the knife, adding that she would do it again.

'HERALDERS' PRESENT INTERESTING PROGRAM

Thursday evening, July 6th, a most interesting program of sacred music was presented by the 'Heralders' at the First Baptist Church.

They are from the Grand Rapids School of Bible and Music and after their inspiring performance in Brisbane, appeared Saturday at

BRISBANE GARDEN CLUB

The monthly meeting of the Brisbane Garden Club, consisted of an outdoor trip to Peninsular Nurseries, ending with luncheon at the Doll House on El Camino Real.

Hybrid petunias of a large ruffled variety, were presented to each member, by Thatcher's Nursery, near San Mateo.

A tea and special business meeting will be held Wednesday p. m. on July 26th at the home of Mrs. M. F. Jensen. Two new members will be introduced: Mrs. Robert Todd, of Monterey street and Mrs. William Whipprecht of Trinity Rd.

AMERICAN LEGION NEWS

A joint installation of American Legion Officers, was held in the American Legion Hall on Visitation Avenue, by the American Legion Post No. 473 and its Auxiliary this evening, July 18th. The meeting was opened by the presentation of the Flag and Prayer. Honored guests of the evening were introduced and seated.

Mr. U. V. Soward of Cub Scout Troup No. 134 was introduced and

gave a gratifying report on Cub Scout activities which the American Legion sponsors and supports. He expressed his and the troupe's gratitude for the continued interest shown to them.

Installation of new officers of the Post then took place; conducted by the installing team of San Mateo, Boiture, No. 393, of Burlingame, who were as follows:

Frank Games, Bert Elliott, Warren Andrews, Bill McKay, Elbert Clark, T. M. Mullen, Harris R. Hooper, John De Rung, B. O. Trumbel, Mike Mendijohni. The installed officers of the Post are:

Commander Bill Davidson, First Vice Commander Gil Bouffard, Second Vice Commander Frank Trahan, Finance Officer Harris Hooper, Historian Georgie (Shorty) Taylor, Sergeant at Arms Leon Stockton, Adjutant Moon Mullens, Junior Past Commander Henry Schultz.

Installing Officers for the Auxiliary were: Frances Reinhart, President; Laura Stecher, First Vice-President; Naomi Murphy, Second Vice-President; Marge Kemey, Secretary - Treasurer; Dawn Andrews, Chaplain and Historian; Hilda Przilvrowski, Sgt. at Arms and Marshal Beatrice Camgres, Past President and mother of the unit.

Auxiliary Officers installed are: Wilma Schultz, President; Vir-

BRISBANE UNIT

Oil For Their Lamps. . . Your unit's yearly purchase of an Honorary Life Membership for some deserving person who has done outstanding work for children helps to maintain the Student Loan Fund, established in 1925 by the California Parent-Teacher group. Many students have been assisted by this fund and over \$250,000 has been loaned on a revolving loan basis. On the roster of the Student Loan are the names of numerous young people who have made outstanding achievements in various fields. As our State Student Loan Chairman, Mrs. Eugene Baker, writes in her article "Oil For Their Lamps" (California Parent-Teacher, February issue), "Honorary Life Memberships furnish the precious oil that keeps the students Lamps burning brightly for our many deserving young people." Recipients of Brisbane P. T. A. Life Memberships have been Miss Natalie Lipman, 1945; Mrs. Dorothy Gielow, 1946; Miss Lois Barry, 1947; Jack Grabovsky, 1948; Mrs. Milton Jensen, 1949; and Mrs. Edward Whitson, 1950.

This Means YOU: An inspiring message from Mrs. Patricia Luhr, junior past president, California Congress, appeared in a recent issue of the California Parent-Teacher magazine. She tells of the sturdy oak tree growing on the U. C. campus at Berkeley, which was planted in honor of Phoebe Hearst, co-founder of the National Congress of Parent-Teacher, an organization growing from a few hundred in 1897 to six million members. "This memorial" she writes, "is a thriving symbol of the growth of the National Congress." She pays tribute to the founders and district, council, and local leaders. "But it is to the individual members" she states, "that particular honor and tribute must go. It is the interest of these members that keeps the oak of the National Congress strong, stable, and ever growing."

What's Doing At The Rec': The new program put in operation at the recreation center should do much toward keeping our children happy and busy through the summer. The wide variety of recreation is splendid and also educational. Mr. Bingham, the new director, is being assisted through the summer by two other persons . . . A trio of Brisbane P. T. A. ladies kept busy making bean bags were Mrs. Roy Edwards, Mrs. Ellen Bhend, and Mrs. Edward Whitson. The teenage dance held at the Rec' on a recent Saturday evening was a huge success, with over sixty attending.

Out Of The Past . . July, 1934: A radio was purchased by the Brisbane P. T. A. for the school children . . . July 12, 1935: The unit received a ribbon for second place honors in the Brisbane 4th of July parade. The P. T. A. float was entered by Mrs. Thelma Van Kirk, . . . July 23, 1936: This was the last P. T. A. meeting held at the one-room schoolhouse. It was announced that the new Brisbane Elementary School would open August 31st, with two grades taught in each classroom. Principal, Miss Natalie Lipman, 1 and 2; Mrs. Holbrook, 3 and 4; Miss C. Gagen, 5 and 6; and Miss Angelini, 7 and 8.

ginia Woodard, First Vice-Pres.; Louise Fassett, Second Vice-Pres. Vera Blair, Sgt. - at - Arms; Ruth Watkins, Marshal, Hazel Hooper, Historian; Katherine Stewart, Chaplain; Eleanor Schmidt, Secretary; Lorene Geist, Treasurer. Maude Mullens, Hattie Hammond and Laura Byars, Executive Committee, Lorene Harris, Jr. Past President.

Distinguished guest were introduced and congratulated by the new officers and members. They were: Mrs. June Drieschman, Noble Grand Matron of the Rebecca's Burlingame Lodge No. 244. Mrs. Ann Rumbough, President of the D. F. W. Auxiliary, Mrs. Florence Kelley, Past department President; Mr. Louis Trry, Brisbane Fire Chief. Mrs. R. T. Ray, Burlingame Unit 163, Mrs. Ray Henderson, 20th District President; Mrs. Milton F. Jensen, Jefferson Union High School President, Girl Scout Commissioner and Senior Girl Scout Leader.

The colors were retired and after a closing prayer the meeting was adjourned.

A delightful buffet supper was served during the social hour which followed.

ORNAMENTAL IRON AND WELDING WORKS

720 BAYSHORE

SOUTH SAN FRANCISCO
CALIF.

FROM COWBOY TO COWBOY

Gary Cooper's back on horseback. His first role, shortly after he came to Hollywood from his father's cattle ranch in Montana — where he had developed an uncanny proficiency in the saddle — was that of Abe Lee, an ingenuous young cowboy, in the "Winning of Barbara Worth" (as shown on right). In that picture Samuel Goldwyn discovered a new star for the American screen. Gary became the caballero of the open spaces until he graduated to more sophisticated roles in such films as

"A Farewell to Arms," "Design for Living," "The General Died at Dawn," "Souls at Sea," "Mr. Deeds Goes to Town" and "The Adventures of Marco Polo." Currently responding to public demand that Cooper return to the screen in the type of role which first rocketed him to fame, Samuel Goldwyn has wisely cast the film star as a rough-riding, broncho-busting Texan in "The Lady and the Cowboy," a comedy-romance, with Merle Oberon as the star's leading lady.

COUNTY FAIR AND FLORAL FIESTA

Extensive improvements are under way today at the San Mateo County fair grounds to ensure that the 16th annual Fair and Floral Fiesta which is to open on September 8, shall have permanent utilities, abundant lighting and adequate protection from wind and dust.

The San Mateo County Board of Supervisors already has opened bids for permanent electrical work to cost approximately \$12,000 so as to provide lighting standards for the entire fair grounds, the expenditure coming from an allocation to the County from State funds.

The fairgrounds today are in a blaze of activity with bulldozers moving soil for a paved area to be used for an automobile show, top soil being added for landscaping, bases being made for electroliners, pedestrian walks paved, fences reinforced and extended as wind-brakes, permanent water outlets installed for the numerous garden displays, and new areas opened for exhibits and entertainment.

The great, white way streaming with artificial lighting at the main entrance on the east side of the grounds, is to be banked with shrubs, flowers and trees by Jack Gibson, the Fair Association's landscape architect and by the exhibits of professional and amateur landscape architects. Pedestrian walks will skirt planted areas some thirty feet in width leading to the entrance of the fair building.

The floral fiesta, racing events, world famous entertainment as well as the industrial and agricultural displays comprising a major portion of the show will probably accommodate larger crowds now in view of the census records which show that in ten years to date 122,248 new people have located in San Mateo County while within a 25 mile radius of the fair grounds well over 300,000 new people have established homes. That means an average of 12,225 new residents per year in the county, 30,000 potential new patrons per year within one hour's ride of the fair grounds.

The improvements under way now are designed to allow the San Mateo County Fair Grounds to move into position among the best in the west both from the point of view of the exhibitor and the patron.

A. J. Gaggero, president of the San Mateo County Fair Association said today that the work on the 1950 show is well advanced and that it is timed for a successful opening in September when vacations are over.

Racing events at Bay Meadows which function as a part of the fair, will open on September 9 and continue daily through the 14th, except on Sunday. In the evenings free vaudeville shows will be staged at seven and nine in a tent large enough to accommodate 2500 people. There will be seven days for special events, Burlingame day opening the show, with San Mateo Day tentatively scheduled for Sunday, September 10. Because of the limited number of days, communities will have to be grouped for special events, but William M. Wilson, manager of the fair, says the show tent will be made available in the daytimes for this purpose and that committees may arrange their own special features and promotional work.

BRISBANE MAIL DELIVERY

Two daily mail deliveries to the Brisbane Business District went into effect on July 3, 1950.

Wyvonne E. Ingram, Postmaster.

SNAX KRAX

SCHOOL SCRIPT

The progress of Brisbane is best illustrated by the progress of its school. The childrtn first went to the Bayshore School for their schooling, but in 1929 the parents decided it was too long of a distance for the pupils, most of whom walked to and fro. Offering facilities was Joe Mozzetti, so the first classroom in the town was held in the basement of his home, now surrounded by the Brisbane Auto Court. Sixteen children attended, with Miss Claire Bouret as instructress. Lessons were taught there for a year.

In 1930 the school board rented a house on Alvarado Street, situated next door to the present Catholic Church. For a period, six grades were taught in one large room which was kept warm in winter by an ancient pot-bellied stove. Student enrollment was sixty.

Eventually, a partition was constructed, dividing the school into two classrooms. Miss Bouret and Miss Natalie Lipman each taught three grades. Later, because of the student increase a small house in the rear of the school was rented and another teacher employed.

The present Elementary School was built in 1935, consisting of 4 rooms and an auditorium. On the faculty were four teachers, each of whom taught two grades. Miss Natalie Lipman served as principal. The school continued to grow and through the years classrooms were added to the structure and the play-room enclosed. There are now 465 students and 17 teachers. Present principal is Miss Lois Barry and Miss Natalie Lipman is superintendent of Bayshore and Brisbane Schools.

Brisbane is proud of its school and its many achievements, including an A-1 cafeteria where 200 children are served each day, a band of 34 boys and girls, glee club, art and craft classes, the Bank of America award for California, folk-dancing classes, and the fact that over a period of years the school ranks right up at

the top in the teaching of the three R's.

Last semester the two last available rooms were converted into classrooms. With a steady increase of enrollment each year, Brisbaneites are now looking toward the near future and the construction of a new school building. —Submitted by Dorothy Radoff,

Publicity Chairman.

GIRL SCOUT NEWS

The Senior Girl Scouts Troop No. 4 spent a recent weekend in Portola State Park. The girls were really roughing it with sleeping bags on the nice soft ground and morning fog to cure their hair.

The Scouts entertained the crowd at the Saturday night Bonfire gathering with songs, returning to their own camp later for a marshmallow and hot dog roast.

Some beautiful coats of tan were acquired sunning after a swim in the new pool.

Joyce Webster and Jo Dell Pearson tried a little crawfishing but couldn't stand the creepy things long enough to catch any.

A vote of thanks is offered to Mr. and Mrs. Fassett and Mr. and Mrs. Schultz, Bob Boomer and Milt Jensen for their kindness in offering transportation and counselling.

Sherry Lawrence and Alfreda Pistohl had a bad time, for a while, when their tent collapsed while

they were in it.

Judy Woodard spent most of the day trying to keep the coffee cups washed. Seems she never did get them all done up at once.

HOME FOR SALE OR LEASE!

On one acre, in the Hills
Magnificent View - Lots of Trees -
4 Large Rooms - 2 Bedrooms -
18 x 20 Livingroom. L-shaped
